Here's how it works:

LIVEPURE.

What qualifies as a 200+ PV order?

A new Brand Partner's initial enrollment order of at least 200 PV placed between September 13–October 13, 2025

Can I combine enrollments from before the promo period?

No. Only enrollments with a qualifying order placed during the promo period count.

How are multiple enrollments rewarded?

You can earn multiple tiers during the promo. For example, if you enroll 24 new Brand Partners with qualifying orders, you would earn $\$1,000 + \$1,000 + \$200 + \$200 = \$2,400$.

When will bonuses be paid?

All Double Up Bonuses will be calculated and paid out after the promo period ends, based on your total qualifying enrollments.

Who can participate?

All U.S. Brand Partners are eligible to earn the Double Up Bonus.

All enrollments and orders must take place during the promo period.
Bonuses are **earned per tier**—you can qualify for more than one tier if you continue enrolling.
Available to **U.S. Brand Partners**.

This bonus is **in addition to your regular commissions and bonuses**—extra cash on top of what you already earn.

Don't miss out.
